- a. Track B Sign up here: <http://doodle.com/poll/5zdqzk9v2sk5y4ci>
- b. Track C Sign up here: <http://doodle.com/poll/7bhtu5yrspnqueex>
- c. All Other LC Members Sign up here: <http://doodle.com/poll/235agk68vnxsmv6p>

- As we go into year 3 the different tracks have had the opportunity to begin implementation. We would like 1-3 different members to present a share and learn session (10-15 minutes per person) on each learning collaborative call.
- Updates within the group will be to a minimum, as we want to shift focus to the learn and share sessions.
- We want all Track B and track C members to present, as well as all LC members.
- Let us know if there are things you want to hear about during the share and learn sessions.

3. Track C RFA: Instructor's Toolkit and Simulation Program Implementation

- Track C has launched! Schools are participating in the pre-test and will begin to launch implementation of the curriculum.
- We are currently collecting evaluation data on various schools implementation process.
 - o Encouraging a pre and post-test evaluation measure, to occur prior to and after the simulation and curriculum are implemented.
 - o Pre-post test sample measures available upon request:
<https://adolescentsbirt.typeform.com/to/ZFqAob>
 - o Hope to share preliminary results from Track A in Fall 2017.
- We considering a Track D – if you are interested in being a part of it, review the RFA for Track C which is on our website.
- We are working on a Track A data analysis
 - o Viewing some of the scales, psychometric data/analysis.
 - o Hoping to contribute to literature and help LC members understand how students are performing across the various programs.
